

Yamaguchi University Library Assistant
interaction event for international students

Let's have a chat at the library!

としょかん
図書館でおしゃべりしましょう!

We would like to talk with you and make the library more user-friendly for international students.

So, we are going to hold an event where we (students working at the library) and you have a chat.

We would like to hear what you want from your library through the chat.

What books do you like?

Do you know about the library?

?
